

creative education for gifted and inquisitive children

November 1, 2019

Dear Friend of Satori,

For more than 30 years, Satori School has served a diverse population of creative and inquisitive children providing a nurturing atmosphere that inspires a child's natural love of learning. Our unique character enrichment programs address the needs of the whole child in a community that values creativity, problem solving, and respect. These programs include:

- "The Evergreen Project", an outdoor learning center with goats, chickens, and other animals
- Creative art and movement instruction
- Award-winning science projects
- And so much more!

We invite you to help us continue this amazing education for our preschool through eighth grade students by supporting our 2020 "Roaring into the 20's" Auction Fundraiser on April 18, 2020. More than 200 guests will attend this event with a live auction featuring one-of-a-kind, student-created projects, as well as a curated collection of silent auction items that collect hundreds of bids.

This year, we have two ways for contributors to support this fundraiser, which also serves as an effective venue to spotlight your product and connect your business with our community:

- **Sponsorship Opportunities:** Tiered from multiple \$500 Bronze-level supporters to a single \$10,000 Diamond-level benefactor, our valued underwriters significantly offset our event costs, allowing us to invest more in our students.
- **Auction Item Donations:** Our popular silent auction features artwork, gift certificates, trip packages, unique experiences, sports memorabilia, gift baskets and many other items that garner hundreds of bids while spotlighting local businesses.

Sponsors and auction donors are recognized on our school website (10,000+ unique visitors annually), in social media and printed event materials. Satori is designated as a Not-For-Profit 501 (c)(3) and donations are tax-deductible to the fullest extent of the law.

Details and forms to participate in each support opportunity are on the back. Please feel free to contact our auction committee with questions at [auction@satorischool.org](mailto:auction@satorischool.org) or (520) 887-4003. If you'd like to see our school, let us know.

Thank you in advance for your help in making this event a success!
