Satori School Update ~ August 28, 2020

Dear Satori Students and Families,

Thank you to the Kindergarten - 4th Grade families that came to the Pop in for Popsicles last weekend. It was fun to see everyone, but I must say I got a little sad, too. I have had many families ask if there are ways we could do something similar once a month. We are working on a few things and will let you know. I hope we see the next group of 5-8th graders this Saturday, August 29. See our website for details.

Next week I will begin to call families and check in. This does take me time, but you should hear from me sometime next week. I can't wait to connect and see how things are going!

Here is the link to the current update from 8/21/20. I am hoping we see more yellow and green next check in. Click [here](#) to go to the PCHD site.

Thank you for your continued support as we work diligently with the students to give them the best distance learning experience we can. This is hard, but together as a team, we can do anything!

Much love and support,

Jo
