Satori School Update ~ September 4, 2020

Dear Satori Students and families,

This week I have started connecting with families. Seeing that I have not talked to very many people since the start of school, my conversations are taking more time than I realized. It will probably take me another couple of weeks to reach out to everyone. If you would like to talk to me sooner, please feel free to reach out.

Today's letter is short and sweet. Take care of yourselves over this holiday and remember to stay safe so we can help keep the number of cases down in Pima County. Our goal to open Satori as a hybrid is below 7% positivity cases for a minimum of 2 weeks. As of August 31, Pima County was at 8.9% There are other factors they are looking at, but that is the biggest.

Stay safe. I am thankful for all of you!

Jo
