Satori School Update ~ October 1, 2020
Private School Information

Dear Satori K/1 Students and Families,

Over the last few weeks I have been having some wonderful conversations with families. I still haven't finished but I will soon - I promise. Intermixed with my phone calls I have spent many hours with Pima County Health Department making sure we are good to move forward with a plan to reopen starting in October.

Tuesday night I was able to present a time-phased plan that was unanimously passed by our Satori School Board. In order for us to best prepare for a responsible reopening, we are asking for your help in the planning process. Families will need to decide what choice is best for them so that we can anticipate how many students will return for in-person instruction.

The plan will occur in three phases. On October 19th, the building will open for preschool thru 2nd grade. Two weeks later, on November 2nd, the buildings will open for 3rd - 6th grade. We will finish with Middle School on November 16th. Please note that if the County or State says it is not safe to open, we will change our plans.

Before Fall Break you will receive an email or phone call from your child's teacher about a plan that best suits the class as a whole. At that time, we are asking that you decide what situation best fits you and your child's needs.

In collaboration with the Pima County Health Department, we have implemented several strategies to protect our community that are aligned with the Center for Disease Control (CDC) guidelines for the safety of staff and students. We invite you to review our plan to protect our community plan which can be found on our website [HERE](#).

If you have any questions or concerns, please contact me at jo@satorischool. I want to thank you again for your patience, understanding and assistance with this important request. The survey will be sent out no later than Friday afternoon.

Jo
