## Satori School Update ~ November 9, 2020

Dear Satori students and families,

I hope everyone got some much needed rain this morning. I know all my plants are very thankful! This weekend I received quite a few emails regarding the increase cases of COVID-19 and how that affects us. As of last Tuesday, Pima County Health Department let us know that cases were on the rise in Arizona but they felt that as long as schools were sticking to their mitigation plan their recommendation is to stay with the plan we have in place. They are having ongoing communication with the Arizona Department of Health and will update us weekly if they feel we need to go back to remote learning only.

I have meetings every Tuesday and will let you know if I hear anything different.

Jo
