

creative education for gifted and inquisitive children

Satori School Update ~ January 12, 2021

Dear Satori Students and Families,

I hope this letter finds everyone healthy and safe. I was on with the PCHD this morning and their recommendation is to continue with our current plan through to the end of the month. That being said, 5th-8th grade will continue with remote learning until January 29th. If the numbers start a downward trend, we will start our hybrid option on February 1st.

If your child needs to be at school with in-person remote learning, please contact me at jo@satorischool.org to discuss options. If your child is receiving specialized services, Susan Stoddard will be in touch with you.

Thank you for your continued support, as always,

Jo
