Satori School Update ~ January 26, 2021

Dear Satori Students and Families,

A lot has happened since I talked with you last time so I will try and fill you in. First off, I hope everyone is safe and healthy. Everyone at school seems to be doing well and I am very pleased to announce that staff are getting in for vaccinations. It is exciting to think that we could be heading towards all coming back together sooner than later.

That being said, Pima County Health Department is still not comfortable with us opening up our 5th-8th grade just yet. It is super disappointing but I would like to make sure everyone is safe so we can all stay healthy.

With half days and Rodeo Break coming up and with second vaccines being harder on the body than the first ones, I am going to keep 5th-8th on remote learning until February 28th. Hybrid learning will take place on March 1st. If things change around, I will let you know as soon as possible.

Please keep an eye on your emails and remind for additional information and for emails from teachers. With the unknown reactions of the second vaccine, we might need to keep students home or with independent learning if necessary.

Thank you for your patience, understanding, and flexibility as we continue to work through this thing called life.

Much love and virtual support,

Jo
