- WEEK 3 – June 21-25**

- WEEK 4 – June 28-July 2**
- WEEK 5 – July 5-9**
- WEEK 6 – July 12-16**

**What is planned for each day of camp?**

### **Monday - WATER Element Day**

We are kicking off Monday with a splash! Join us as we conduct experiments to understand the properties and uses of water, dive into the water cycle and learn how vitally important water is to all living things. We will use water to help us explore the states of matter and we will create artistic masterpieces using water and water-based materials.

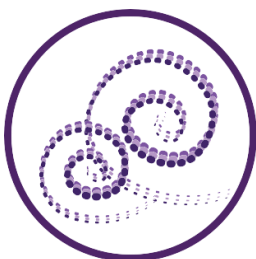

### **Tuesday - EARTH Element Day**

On Tuesday we will dig into summer with an exploration and celebration of Earth! We will look at how our Earth fits into the universe and examine the planet we call home, learn about Earth's biomes and terrain and our place in the world. And we will get our hands dirty and learn about archaeological excavation.

### **Wednesday - FIRE Element Day**

Things will really heat up on Wednesday as we learn about the uses and importance of fire! We will perform experiments to help us understand the properties of fire and we'll learn how we use it in our everyday lives. We'll put our knowledge of fire to good use by cooking dishes to share and enjoy with our friends, learning about fireworks and campfire BBQs.

### **Thursday - AIR Element Day**

On Thursday we will have a blast learning about the air above and around us and conducting experiments using the power of air. We will talk about how the seasons work, and how in Tucson we are lucky to have five seasons instead of only four. We will take the opportunity to explore this fascinating fifth season, the monsoon, and look at all the life it brings to the desert.

### **Friday - EVERYTHING Element Day**

On Friday we will learn about all the elements and recap what we learned throughout the week!

Masks will be required for all students, please bring 2 each day. Current social distancing guidelines will be adhered to. Visits to Satori's Evergreen Project and water play are incorporated in our daily activities. Each child will need sunscreen and a change clothes in case they get too wet. Please apply sunscreen at home. We will reapply during camp with written permission. For a nominal fee you can elect to use a sunscreen purchased by Satori.

**MAKE SURE TO LABEL ALL BELONGINGS TO ENSURE THEY RETURN HOME SAFELY!!**
