

creative education for gifted and inquisitive children

**Satori School Update ~ August 16, 2021**

Dear Satori Students and Families,

I hope everyone had a wonderful summer. I've heard about some amazing summer trips, but most of the excitement in the air is centered around being back at school. I appreciate everyone and their willingness to stick with our mitigation plan. Thanks to this community cooperation, our plan has worked well so far. According to the PCHD, last week there were 12 outbreaks in schools across Pima county alone and zero outbreaks in schools with mask requirements. Interestingly enough, even though the students and staff are given the option to remove their masks outside, a majority of them choose to keep their masks on.

Due to the increase in cases around Pima county and how the delta variant seems to spread more rapidly and to more people, I have decided to cancel our Ice Cream Social/Pop In For Popsicles Event that was scheduled for this Saturday, August 21st. We usually have after-school activity sign ups at this event. Instead, sometime this week you will be given detailed instructions on how to sign up for those online.

Stay safe,

Jo
