

creative education for gifted and inquisitive children

## **Satori School Update ~ August 19, 2021**

Dear Satori Students and Families,

I have a few important updates today. Thank you for your patience while we work to get you the information you need.

### ***Drop-off and Pick-up***

**Be careful!** and **Drive slowly!**

- Our drop off and pick up routines are starting to work out their kinks. The biggest issue seems to be pickup at the charter campus. Families who pick up at the charter should **not** park in the pull through. If you arrive before 3:00 (2:00 on Wednesdays), please pull ahead into the south parking lot, park there, and walk to the gate (or the end of the sidewalk so we can see you). We will bring your child to you as soon as possible. Please be careful as there is a lot of traffic and students are moving on foot between campuses.

### ***Otterpops Friday PM!***

- In lieu of the ice cream social this year we are going to be handing out Otter Pops tomorrow (Friday) afternoon. I will use that time to discuss after school activities and celebrate the start of the school year. If you do not want your child to have an otter pop, we are asking that you send something they can eat to help us celebrate. Please make sure to reach out to your child's teacher if you will be bringing another option.

### ***After-school Activities Sign-up***

- Since we will not be having an ice cream social, you will be given a link and a password to our website where you can sign-up for Extended Care After-school Activities. That information will be sent to your email sometime Saturday. The link for sign-ups will go live at 5:00pm on Saturday, August 21 and will be available until 5pm next Tuesday, August 24. Sign-ups are on a first come first serve process, so make sure you get on Saturday if you want a better chance of getting a spot. If the class you want is full, please send an email to [linda@satorischool.org](mailto:linda@satorischool.org) to get on the waitlist. Attached is a guide with information about the activities being offered this year. Use this to help you select activities for your student.

### ***Potlucks***

- At this time, I am cancelling classroom potlucks with the hope that we will be able to have them in October, but we will have to see. We are rocking our mitigation plan, and I greatly appreciate everyone's support. It is such a relief to know that families are really working hard to keep each other safe and keeping students home if they don't feel well.
