Satori School Update ~ November 4, 2022

Dear Satori Students and Families,

It's hard to believe we are already in November. We have done so much already and have so many things ahead of us.

We had a great time at the Fall Festival on Monday, October 31. Our Middle School students did an outstanding job running the events for the younger students. If you have a chance, make sure you let them know how much we all appreciate their kindness. Please read over this newsletter carefully for information about all the events and happenings coming up and keep your eyes open Reminds and emails from your teachers.

I want to take a moment to emphasize the importance of getting to school on time. Our learning starts at 8:30 am every day in every classroom. Starting the day together, having an opportunity to be welcomed and to welcome others, and participating in the morning meeting are crucial for every child's social, emotional, and academic success. When students are late, they miss out on this important part of the day, which makes the rest of the day more challenging for everyone. If you have questions about the morning meeting and the start of the school day, feel free to reach out to me or to your child's teacher.

Everyone has done a good job at working to keep each other healthy. We are heading into what looks to be a rough season with several illnesses including COVID-19 in circulation. With numbers going up, it is critical that if your student is experiencing any symptoms including cough, runny nose, headache, upset stomach, and/or fever that they stay home from school. We have COVID tests available if you need, just call to request one. If you have any questions or are unsure about what to do, please give me a call.

Our Open Enrollment season is starting. If you know someone who might be interested in our school, we would love to meet them. Have them reach out to either office.

Finally, as we wrap up the year, please remember that it's Tax Credit time. Our school depends on you directing your Arizona State Income Tax dollars to Satori to help support our unique programs. Look for details on the website or ask in either the Charter or the Private office.

Thanks for being a part of our community!

Jo Honea
