

creative education for gifted and inquisitive children

Satori School Update ~ December 1, 2022

Hello Everybody,

Welcome to December! We only have two weeks of school before winter break, so please make sure you read this email in its entirety.

As always, I am on weekly meetings with PCHD regarding health issues in Tucson. Pima county is back in the red with regards to COVID, and it is highly suggested that people wear masks indoors where many people congregate. It is also recommended to be up-to-date with vaccinations. Thank you for supporting our mitigation plan by keeping your child home if they have a fever, vomiting, or sore throat. If you would like to test anyone in your family for COVID, I have plenty of tests in my office.

Please look out for an email to sign up for extended care over winter break if you are interested. There is also a link below in this message. If we do not have any information from your family regarding Grandparents & Special Persons Day on December 14th, we will be following up with you by email.

This year's Spelling Bee will be in person, but for our student population only. We will be streaming on Zoom on December 9 for anyone who would like to join us. Please keep an eye out for more information.

Thank you,

Jo
